

GPS 60™

Part Number: 010-00322-00

Backwoods, boundary waters, blue highways — the GPS 60 is your trusted guide to the great outdoors. The GPS 60 and its counterpart, the GPSMAP 60, are packed with several of the features found in the 60-series colour navigators, but sport an affordable, high-resolution monochrome display for outdoor enthusiasts on a budget.

Get Rugged Navigation

The robust, waterproof GPS 60 is the perfect, low-cost navigator for wherever your spirit of adventure takes you:

Large, sunlight-readable, four-level grayscale display with bright LED backlight makes it easy to find your way, day or night

Up to 28 hours of battery life for more hours of outdoor enjoyment

WAAS-enabled for even more precise location and navigation

Both serial and USB connections for fast and versatile connection to your computer

Get Fun-filled Features

GPS 60 has one megabyte (MB) of internal memory for storing points of interest, and it comes factory preloaded with a worldwide city point database. Just find the place you want to go to, and the GPS 60 creates a straight-line route to your destination. The GPS 60 also offers special geocaching features, indoor and outdoor games, an alarm clock, sunrise/sunset and moon phase tables, optimal hunting and fishing times — plus much more.

GPS 60: Making it easy to navigate the great outdoors on a budget.
