

Geko 201

Part Number: 010-00318-00

Geko 201 and its counterpart, Geko 301, are among the smallest and lightest WAAS-enabled GPS navigators — inexpensive, with simple, intuitive operation.

Track Back

When you're winding your way through new territory, you don't have to worry about how to get back when you're armed with the Geko 201. Geko keeps track of your path and displays it as a tiny dotted trail on the screen. Just turn on Geko's TracBack® feature, and you can retrace your path back to the beginning. You can save locations in memory as waypoints (up to 500 of them), so you can always find your way back to any important place, such as your campsite or vehicle. Geko also lets you put several waypoints together to create and store routes to all of your favorite places.

Geko's trip computer can tell you how far and how fast you've traveled. And at the end of the day, you can connect your Geko to your PC and transfer your waypoints and tracks.

Play Games

Geko's virtual GPS games make your outdoor excursion even more fun. Enjoy a good workout while you chase lizards in Geko Smak or find the matching symbols in Memory Race. You can also collect flags as you wind your way through Virtua Maze or navigate to points without crossing your trail in Nibbons.

Geko 201: Little green navigating machine

Geko 201

Part Number: 010-00318-00

Physical & Performance:

Unit dimensions, WxHxD: 1.9" x 3.9" x 0.96" (4.8 x 9.9 x 2.4 cm)

Display size, WxH: 0.92" x 1.44" (2.3 x 3.7 cm)

Display resolution, WxH: 64 x 100 pixels

Display type: Black and white LCD

Weight: 2.3 oz (65.2 g) without batteries; 3.1 oz (96 g) with batteries

Battery: 2 AAA batteries (not included)

Battery life: 12 hours

Waterproof: yes (IPX7)

Floats: no

High-sensitivity receiver: no

Interface: serial

RoHS version available: yes

Maps & Memory:

Basemap: no

Preloaded maps: no

Ability to add maps: no

Built-in memory: no

Accepts data cards: no

Waypoints/favorites/locations: 500

Routes: 20

Track log: 10,000 points; 10 saved tracks

Features:

Automatic routing (turn by turn routing on roads): no

Electronic compass: no

Touchscreen: no

Barometric altimeter: no

Geocaching-friendly: no

Outdoor GPS games: yes

Hunt/fish calendar: yes

Sun and moon information: yes

Tide tables: no

Area calculation: no

Custom POIs (ability to add additional points of interest): no

Unit-to-unit transfer (shares data wirelessly with similar units): no

Picture viewer: no
