

Geko 301

Part Number: 010-00319-40

One of the smallest and lightest GPS navigators around, Geko 301 adds a built-in electronic compass and barometric altimeter to the other popular features of the Geko 201.

Climb Higher

Geko 301's built-in electronic compass tells you what direction you're heading, even when you're standing still. Its barometric altimeter pinpoints your precise altitude and even tracks pressure trends over the last 12 hours, so you can keep an eye on changing weather conditions. Like the 201, Geko 301 can save up to 500 waypoints, create and save routes, track your travels with a trip computer and connect to your PC for data storage.

Play Games

Geko's virtual GPS games make your outdoor excursion even more fun. Enjoy a good workout while you chase lizards in Geko Smak or find the matching symbols in Memory Race. You can also collect flags as you wind your way through Virtua Maze or navigate to points without crossing your trail in Nibbons.

Geko 301: Find fun with Geko 301

Geko 301

Part Number: 010-00319-40

Physical & Performance:

Unit dimensions, WxHxD: 1.9" x 3.9" x 0.96" (4.8 x 9.9 x 2.4 cm)
Display size, WxH: 0.92" x 1.44" (2.3 x 3.7 cm)
Display resolution, WxH: 64 x 100 pixels
Display type: Black and white LCD
Weight: 2.3 oz (65.2 g) without batteries; 3.1 oz (96 g) with batteries
Battery: 2 AAA batteries (not included)
Battery life: 9 hours, typical
Waterproof: yes (IPX7)
Floats: no
High-sensitivity receiver: no
Interface: serial
RoHS version available: yes

Maps & Memory:

Basemap: no
Preloaded maps: no
Ability to add maps: no
Built-in memory: no
Accepts data cards: no
Waypoints/favorites/locations: 500
Routes: 20
Track log: 10,000 points, 10 saved tracks

Features:

Automatic routing (turn by turn routing on roads): no
Electronic compass: yes
Touchscreen: no
Barometric altimeter: yes
Geocaching-friendly: no
Outdoor GPS games: yes
Hunt/fish calendar: yes
Sun and moon information: yes
Tide tables: no
Area calculation: yes
Custom POIs (ability to add additional points of interest): no
Unit-to-unit transfer (shares data wirelessly with similar units): no
Picture viewer: no
