

## GPSMAP® 76S

Part Number: 010-00271-00

The GPSMAP 76S adds a built-in electronic compass and barometric altimeter, an Americas, European or Pacific basemap and 24 megabytes (MB) of map storage space to the other outstanding features of the mariner-friendly 76-series navigators.

### Get Your Bearings

The GPSMAP 76S has a built-in electronic compass that provides bearing information even while you're standing still, and its barometric altimeter tracks changes in pressure to pinpoint your precise altitude. You can even use the altimeter to plot barometric or ambient pressure over time, which can help you keep an eye on changing weather conditions.

### Use on Land or Water

Don't worry about losing this GPS device in the drink. Like the rest of the 76-series, the 76S floats in water, and it's IPX7 waterproof to withstand the accidental dunk or splash in the lake. Whether on water or land, the 76S can save up to 1000 of your favorite places in memory and can take you directly to your destination.

### Store More Data

The GPSMAP 76S is preloaded with a basemap of principle cities, interstates (including exits), highways and roads as well as marine navigation aids, including lights, buoys, sound signals and day beacons. It also has 24 MB of internal memory, so you can load detailed maps from a variety of optional MapSource® products. If you're into boating, hunting or fishing, you can use the built-in celestial data, which includes tide information, sunrise/sunset times and a hunting and fishing calendar.

GPSMAP 76S: Rugged handheld navigation and direction for your land and sea adventures

# GPSMAP® 76S

Part Number: 010-00271-00

## Physical & Performance:

Unit dimensions, WxHxD: 2.7" x 6.2" x 1.2" (6.9 x 15.7 x 3.0 cm)

Display size, WxH: 1.6" x 2.2" (4.1 x 5.6 cm)

Display resolution, WxH: 180 x 240 pixels

Display type: 4 level gray LCD

Weight: 7.7 oz (218 g) with batteries

Battery: 2 AA batteries (not included)

Battery life: 16 hours

Waterproof: yes (IPX7)

Floats: yes

High-sensitivity receiver: no

Interface: serial

RoHS version available: yes

## Maps & Memory:

Basemap: yes

Preloaded maps: no

Ability to add maps: yes

Built-in memory: 24 MB

Accepts data cards: no

Waypoints/favorites/locations: 1000

Routes: 50

Track log: 10,000 points, 10 saved tracks

## Features:

Automatic routing (turn by turn routing on roads): no

Electronic compass: yes

Touchscreen: no

Barometric altimeter: yes

Geocaching-friendly: no

Outdoor GPS games: no

Hunt/fish calendar: yes

Sun and moon information: yes

Tide tables: yes

Area calculation: yes

Custom POIs (ability to add additional points of interest): no

Unit-to-unit transfer (shares data wirelessly with similar units): no

Picture viewer: no
