

nüvi® 1200

Part Number: 010-00783-40

nüvi® 1200 easily fits in a pocket and won't stretch your wallet either, thanks to regional mapping and its slim design. This ultra-thin GPS announces streets by name and calculates a more fuel-efficient route with ecoRoute™.

Slim Down. Take It With You

Twenty-five percent slimmer than other nüvis, the 1200 and widescreen 1300-series are ideal traveling companions. nüvi 1200 easily fits in your pocket or purse, and its rechargeable lithium-ion battery makes it convenient for navigation by car or foot. Take advantage of the 1200's new Public Transit mode by downloading optional CityXplorer™ content (coming soon) for select cities to navigate via subways, trams, buses and more.

Get Turn-by-Turn Directions

nüvi 1200's intuitive interface greets you with two simple questions: "Where To?" and "View Map." Touch the color screen to easily look up addresses and services and get voice-prompted, turn-by-turn directions that speak street names to your destination. It comes preloaded with City Navigator® NT street maps for the continental U.S., Hawaii and Puerto Rico or one European region or country (click versions tab to view all), millions of points of interest (POIs) and 2-D or 3-D maps. Its digital elevation maps show you shaded contours at higher zoom levels, giving you a big picture of the surrounding terrain. With the 1200's enhanced user interface, you can slide your finger to conveniently scroll between screens. You can also upload custom points of interest (POIs). And with HotFix™ satellite prediction, nüvi calculates your position faster to get you there quicker.

Go Beyond Navigation

Navigation is just the beginning. nüvi 1200 saves you gas and money with ecoRoute — a green feature that calculates the most fuel-efficient route, tracks fuel usage and more. The 1200 includes many travel tools including JPEG picture viewer, world travel clock with time zones, currency converter, measurement converter, calculator and more. With photo navigation, you can download pictures from Garmin Connect™ Photos and navigate to them. It's also compatible with lifetime traffic alerts or MSN® Direct (receiver purchase required for either option). With its "Where Am I?" emergency locator, you always know your location. Simply tap the screen to get your exact latitude and longitude coordinates, the nearest address and intersection, and the closest hospitals, police stations and fuel stations. The 1200 features Garmin Lock™, an anti-theft feature, and is compatible with our free Garmin Garage where you can download custom custom voices and vehicles. Enhance your travel experience with optional plug-in microSD™ cards.

nüvi® 1200

Part Number: 010-00783-40

Physical & Performance:

Unit dimensions, WxHxD: 3.7"W x 2.9"H x .6"D (9.3 x 7.5 x 1.6 cm)
Display size, WxH: 2.8"W x 2.1"H (7.2 x 5.4 cm); 3.5" diag (8.9 cm)
Display resolution, WxH: 320 x 240 pixels
Display type: QVGA color antiglare TFT with white backlight
Weight: 4.0 ounces (113.4 g)
Battery: rechargeable lithium-ion
Battery life: up to 4 hours
Waterproof: no
High-sensitivity receiver: yes
RoHS version available: yes

Maps & Memory:

Basemap: yes
Preloaded maps: yes (regional)
Ability to add maps: yes
Built-in memory: internal solid state
Accepts data cards: microSD™ card (not included)
Waypoints/favorites/locations: 1000
Routes: 0

Features:

Voice prompts (e.g. "Turn right in 500 ft."): yes (internal speaker)
