Navigate With Ease

nüvi 205W comes preloaded with City Navigator® NT map data for the contiguous U.S., Canada or one European region or country (click versions tab to view all). Simply touch the color screen to enter a destination, and nüvi takes you there with turn-by-turn voice directions, 2-D or 3-D maps and smooth map redraw rates as you navigate. Its digital elevation maps show you shaded contours at higher zoom levels, giving you a big picture of the surrounding terrain. In addition, nüvi 205W accepts custom points of interest (POIs), such as school zones and safety cameras and lets you set proximity alerts to warn you of upcoming POIs. With HotFix™ satellite prediction, nüvi calculates your position faster to get you there quicker.

Take It With You

Like the rest of the nüvi 2x5-series, nüvi 205W sports a sleek, slim design and fits comfortably in your pocket or purse. Its rechargeable lithium-ion battery makes it convenient for navigation by car or foot. With its "Where Am I?" emergency locator, you always know your location. Simply tap the screen to get your exact latitude and longitude coordinates, the nearest address and intersection, and the closest hospitals, police stations and fuel stations.
