

nüvi® 775T

Part Number: 010-00715-10

Get the best of both worlds and a new perspective on navigation with the transatlantic nüvi 775T, featuring lane assist. This feature guides you to the proper lane for navigation. The 775T has all the features of the nüvi 765T, plus transatlantic maps of Europe and North America. Like the rest of the nüvi 705-series, this advanced navigator comes with premium features including 3-D building view, photo navigation, faster screen redraws, route planning, emergency and car locators and much more.

Know the Lane Before It's Too Late

nüvi 775T takes navigation to the next level with lane assist. No more guessing which lane you need to be in to make an upcoming turn. Lane assist guides you to the correct lane for an approaching turn or exit, making unfamiliar intersections and exits easy to navigate. It realistically displays road signs and junctions on your route along with arrows that indicate the proper lane for navigation.

Get Turn-by-Turn Directions

nüvi 775T's intuitive interface greets you with two simple questions: "Where to?" and "View Map." Touch the color screen to easily look up addresses and services and get voice-prompted, turn-by-turn directions that speak street names to your destination. It comes preloaded with detailed City Navigator® NT street maps for both North America and Europe, nearly 6 million points of interest (POIs) and features digital elevation maps and 3-D building view in some areas to help you orient yourself with your surroundings. You can also upload custom points of interest (POIs). With HotFix™ satellite prediction, nüvi calculates your position faster to get you there quicker, and its ultra-fast map redraw ensures a smooth user interface.

Make Hands-free Calls

For hands-free calling, nüvi 775T integrates A2DP Bluetooth® wireless technology with a built-in microphone and speaker (optional external microphone available). Just pair it with your compatible Bluetooth phone and talk hands-free through the 775T while staying focused on the road. Simply dial numbers with nüvi's touchscreen keypad to make a call. To answer calls, just tap the screen and speak into its built-in microphone. Enjoy convenient one-touch dialing for contacts and points of interest. Even listen to high-quality stereo music on your headset with A2DP Bluetooth technology.

Avoid Traffic Tie-ups

Steer clear of traffic with nüvi 775T's integrated FM traffic receiver. Receive alerts about traffic delays and road construction that lie ahead on your route. Next, simply touch nüvi's screen to view traffic details or detour around the problem area.

Find Yourself, Your Car

Keep track of yourself and your car with nüvi 775T. Just tap the "Where Am I?" emergency locator to find the closest hospitals, police stations, fuel stations, nearest address and intersection. Also see your exact latitude and longitude coordinates. nüvi 775T even remembers where you parked. It automatically marks your position when you remove it from the windshield mount, so you can navigate with nüvi on foot and find your way back to your vehicle. Perfect for unfamiliar spots and crowded lots such as amusement parks, stadiums and malls.

nüvi® 775T

Part Number: 010-00715-10

Physical & Performance:

Unit dimensions, WxHxD: 4.8"W x 3.0"H x .8"D (12.2 x 7.6 x 2.0 cm)
Display size, WxH: 3.81"W x 2.25"H (9.7 x 5.7 cm); 4.3" diag (10.9 cm)
Display resolution, WxH: 480 x 272 pixels
Display type: WQVGA color TFT with white backlight
Weight: 6.48 ounces (183.8 g)
Battery: rechargeable lithium-ion
Battery life: up to 3 hours
Waterproof: no
High-sensitivity receiver: yes
RoHS version available: yes

Maps & Memory:

Basemap: yes
Preloaded maps: yes (transatlantic)
Ability to add maps: yes
Built-in memory: internal solid state
Accepts data cards: SD™ card (not included)
Waypoints/favorites/locations: 1000
Routes: 10

Features:

Voice prompts (e.g. "Turn right in 500 ft."): yes (internal speaker)
Speaks street names (e.g. "Turn right ON ELM STREET in 500 ft."): yes
