

nüvi® 785T

Part Number: 010-00715-00

Stay ahead of the curve and connected with nüvi 785T, featuring lane assist and MSN Direct® content. The 785T guides you to the proper lane for navigation while delivering real-time local weather, traffic, movie times, stock information, gas prices, news and local events. It also includes hands-free calling, preloaded maps and turn-by-turn directions that call out street names. Like the rest of the nüvi 705-series, this advanced navigator comes with premium features including 3-D building view, photo navigation, faster screen redraws, route planning, emergency and car locators and much more.

Know the Lane Before It's Too Late

nüvi 785T takes navigation to the next level with lane assist. No more guessing which lane you need to be in to make an upcoming turn. Lane assist guides you to the correct lane for an approaching turn or exit, making unfamiliar intersections and exits easy to navigate. It realistically displays road signs and junctions on your route along with arrows that indicate the proper lane for navigation.

Get Enhanced MSN Direct

With next-generation dynamic content from MSN Direct, nüvi 785T is one resourceful personal travel assistant. Using the included receiver and free trial service to MSN Direct, you can check the weather, avoid traffic backups, compare local gas prices, get enhanced movie listings, stock information, news and local events when you travel with your unit. Even plan trips from the convenience of your computer, via Windows Live Local, and wirelessly send locations to nüvi 785T.

Get Turn-by-Turn Directions

nüvi 785T's intuitive interface greets you with two simple questions: "Where to?" and "View Map." Touch the color screen to easily look up addresses and services and get voice-prompted, turn-by-turn directions that speak street names to your destination. It comes preloaded with detailed City Navigator® NT street maps for North America, nearly 6 million points of interest (POIs) and features digital elevation maps and 3-D building view in some areas to help you orient yourself with your surroundings. You can also upload custom points of interest (POIs). With HotFix™ satellite prediction, nüvi calculates your position faster to get you there quicker, and its ultra-fast map redraw ensures a smooth user interface.

Make Hands-free Calls

For hands-free calling, nüvi 785T integrates A2DP Bluetooth® wireless technology with a built-in microphone and speaker (optional external microphone available). Just pair it with your compatible Bluetooth phone and talk hands-free through the 785T while staying focused on the road. Simply dial numbers with nüvi's touchscreen keypad to make a call. To answer calls, just tap the screen and speak into its built-in microphone. Enjoy convenient one-touch dialing for contacts and points of interest. Even listen to high-quality stereo music on your headset with A2DP Bluetooth technology.

Find Yourself, Your Car

Keep track of yourself and your car with nüvi 785T. Just tap the "Where Am I?" emergency locator to find the closest hospitals, police stations, fuel stations, nearest address and intersection. Also see your exact latitude and longitude coordinates. nüvi 785T even remembers where you parked. It automatically marks your position when you remove it from the windshield mount, so you can navigate with nüvi on foot and find your way back to your vehicle. Perfect for unfamiliar spots and crowded lots such as amusement parks, stadiums and malls.
