

**LASERMARK® Laser Level Instruments**

Top quality products for over 130 years.

**GizmoLite Series**  
Self-Leveling Laser Cross Level

The GizmoLite Series laser cross level offers an economical way to do countless leveling and alignment jobs. Precise alignment tools project a vertical (plumb) line and/or a horizontal (level) line at the press of a button.

**GizmoLite 3 Interior-Exterior Laser Cross Level with 90° Plumb Line Reference**

Single button features four modes of operation— horizontal line, vertical line, laser cross, laser cross manual (tilt) mode. Both horizontal and vertical modes are auto-ready for outdoor use when used with line detector. When instrument is placed in these modes, the laser “pulses” for easy accurate detection with the LLD-20 laser line detector.

*Interior-Exterior... GizmoLite 3 is ideal for:* decks and patios, outdoor leveling, cabinets and shelving, drop ceilings, wainscoting and paneling, remodeling projects, wall hangings: machinery, pipe and conduit, floor and wall tiles, interior decoration.

**GizmoLite 4 Interior Laser Cross Level with Vertical Plumb Line**

The GizmoLite 4 features a third vertical plumb line which is ideal for alignment of fixtures across length of ceiling. Also ideal for aligning points on a wall with points on ceiling.

**Graduated Circle**

Graduated circle for the Gizmo and Gizmo Lite Laser Levels. Snaps onto wall/tripod mounting cup to create a reference for turning angles.

**57-90DC** 90° Graduated Circle for Gizmo Lite
