

LASERMARK® Laser Level Instruments

Top quality products for over 130 years.

Technical Specifications

Laser Diode:	630-670nm
Accuracy:	
Level, Up Plumb	±1/4-in @ 100-ft (±6mm@30m)
Down Plumb	±1/4-in @ 50-ft (±6mm@15m)
Range:	Up to 100 ft (30m) interior visible range, dependent on illumination of area
Features:	
	<ul style="list-style-type: none"> • Out-of-level sensor • Built-in magnetic mount with 1/4-20 thread mount
Leveling Type:	Gimbal, Self-Leveling Magnetically Dampened, ±5°
Environment:	Built for Indoor use (IP54)
Power:	Three (3) "AA" cell Alkaline batteries with easy-access battery cartridge
Warranty:	1 Year

MP3**3-Beam Self-Leveling Laser**

One push of a button and instantly transfer a point from floor to ceiling, plus a horizontally level reference point.

Features:

- Single Button Operation
- Magnetically fastening– attach to metal surfaces
- Tripod Mount– 1/4-20 thread
- Easy access battery compartment
- Highly focused self-leveling laser beams provide accuracy of 1/4-in. at 100-ft.
- Flashing "out-of-level" sensor eliminates rechecks and costly errors
- Tough on the jobsite. Resists water, dirt and dust (IP54)
- Gimbal, gravity design pendulum self-levels instantly with unique magnetic dampening system

**MP3™****What Can You Do with the MP3 Laser?**

Plumbers– When installing pipe between floors, use for transferring a point from floor to ceiling to ensure holes are drilled in alignment

Electrician's– Ensure that conduit is installed in alignment; align ceiling light fixtures with points on the floor.

Builders/Remodelers– Plumb, align and square wall studs, frames, columns, posts, deck footings; square foundations, transfer reference points between floor and ceiling for sprinkler systems, HVAC systems, skylights, recessed lighting; masonry work

Finish Carpenters– Transfer floor patterns to ceiling for decorative work; level cabinets, shelving and counter tops, align trim work

Plus many more uses...

Use For: Transfer Points from Floor to Ceiling • Ceiling Fixture Installation and Alignment • Stud Plumbing and Alignment • Ceiling Joist and Rafter Alignment • Establishing Diagonals and Footings for Decks and Patios • Aligning and Plumbing Plug Type or Conduit • Installing Walls and Partitions

Model MP3 Package

58-MP3 LaserMark 3-Beam Self-Leveling Laser, with Universal Mount, Target, Mounting Strap, and Carrying Case
