

Easy - Read[®]; Laboratory Thermometer

Non-Toxic, Non-Hazardous & Biodegradable.

Easy-Read[®] thermometers are the easiest to read and they replace mercury thermometers with the same accuracy without any hazards. Easy-Read[®] thermometers are filled with market leading Enviro-Safe[®] liquid that is 100% non-toxic, non-hazardous, and biodegradable. This liquid is dye black to create a better contrast against its yellow back lead free glass. This high contrast makes these thermometers "easy-to-read".

Each unit comes with individual serial numbers (except pocket size and 200mm) and a Statement of Accuracy indicating accuracy traceable to NIST and DKD. These thermometers are made in the USA by H-B Instrument Company - an ISO 9001:2000 company. Thermometer should be stored at a 15° angle minimum.

Item #	Range	Division	Accuracy	Immersion	Length
30591	-10 to 110°C	1 °	1°	50mm (2")	200 mm
30592	-10 to 110°C	1 °	1°	Total	200 mm
30593	-10 to 150°C	1 °	1°	50mm (2")	200 mm
			1.5° above 105°		
30594	-10 to 150°C	1 °	1°	Total	200 mm
			1.5° above 105°		
30597	20 to 230°F	2 °	2°	50mm (2")	200 mm
30596	20 to 230°F	2 °	2°	Total	200 mm
30599	20 to 300°F	2 °	2°	50mm (2")	200 mm
30598	20 to 300°F	2 °	2°	Total	200 mm
30507	-10 to 70°C	0.5 °	1°	76mm (3")	297 mm
30505	-20 to 110°C	1 °	1°	76mm (3")	305 mm
30500	-20 to 110°C	1 °	1°	Total	305 mm
30515	-20 to 150°C	1 °	1°	76mm (3")	305 mm
			1.5° above 105°		
30510	-20 to 150°C	1 °	1°	Total	305 mm
			1.5° above 105°		
30535	0 to 230°F	2 °	2°	76mm (3")	305 mm
30530	0 to 230°F	2 °	2°	Total	305 mm
30545	0 to 300°F	2 °	2°	76mm (3")	305 mm
			3° above 221°		
30540	0 to 300°F	2 °	2°	Total	305 mm
			3° above 221°		
30525	-10 to 260°C	1 °	1°	76mm (3")	355 mm
			1.5° above 105°		
			2° above 200°		
30520	-10 to 225°C	1 °	1°	Total	355 mm
			1.5° above 105°		
			2° above 200°		
30555	20 to 500°F	2 °	2°	76mm (3")	355 mm
			3° above 221°		
			4° above 392°		
30550	20 to 440°F	2 °	2°	Total	355 mm
			3° above 221°		
			4° above 392°
