

## MAX/MIN WALL MOUNT THERMOMETER

- Mercury filled, white beck glass.
- Dual case.
- Indoor/outdoor use. Thermometers show the current temperature and register the lowest and highest temperature attained since the last reset. Thermometer is u-shaped, mounted on a plastic casing, with metal floats at the top of each column. One float remains at the maximum temperature, while the other float remains at the minimum temperature. Reset the floats by drawing them down to rejoin the mercury column with the magnet stored in the case. Also available with push-button reset.
