

## Simply the Best Pruners in the World

### F-2 THE ORIGINAL

Length 8 1/2 in. (21.5 cm) Weight 8.5 oz. (240 g)

**FELCO 2** - This is the original FELCO design, and has remained unchanged for over sixty-five years. Imitated the world over, this popular model, like all the other FELCO models, continues the tradition of workmanship. Solid-forged metal alloy handles are complemented by a Swiss precision made hardened cutting blade (replaceable) and an anvil blade with a sap groove. A hardened bolt and nut assure exact adjustment of both the cutting and anvil blades. A rubber cushion and shock absorber provide smooth working and soft closing of this pruner.

Bar Code 7 83929 10001 2

### F-4

Length 8 1/4 in. (21 cm) Weight 7.8 oz. (220 g)

**FELCO 4** - If you want a more basic pruner without the refinements but still with the famous FELCO quality and cutting performance, the FELCO 4 is for you. This model offers the same quality cutting blade as the FELCO 2. The blade adjustment is by the center bolt and nut only. It has no rubber cushion, shock absorber or locking segment and it is priced accordingly.

Bar Code 7 83929 10002 9

### F-5

Length 9 in. (22.5 cm) Weight 11 oz. (310 g)

**FELCO 5** - With handles made from solid steel and simplified construction, it is an ideal choice for the home hobby gardener. No cushion stop, sap groove or wire-cutting notch.

Bar Code 7 83939 10003 6

### F-6

Length 7 1/4 in. (19.5 cm) Weight 7.5 oz. (210 g)

**FELCO 6** - Designed for those with smaller hands who may prefer a smaller, lighter pruner. It is comfortable to use yet every bit as sturdy and powerful as all the other FELCO models. Ideal for small pruning work such as grape vines, shrubs and young trees, it is also the choice of many florists. The anvil blade is screw-mounted. The shorter blades facilitate closer cutting to the stem of the plant.

Bar Code 7 83929 10004 3

### F-7

Length 8 1/4 in. (21 cm) Weight 10.2 oz. (290 g)

**FELCO 7** - Here is a superbly-designed pruning shear for the professional. The rotating handle revolves on its axis, allowing the fingers to move naturally, thereby reducing the blisters and hand fatigue that so often accompany prolonged pruning work. This unique swivel action requires up to thirty percent less effort than conventional models and offers maximum comfort on continuous pruning. Both the cutting and anvil blades are screw mounted, and the narrow, pointed blade design allows for close pruning.

## Pruning Shears of Unsurpassed Quality

**F-8**

Length 8 1/4 in. (21 cm) Weight 8.7 oz. (245 g)

**FELCO 8** - If you are undecided about the FELCO 7, we recommend this ergonomically designed pruner. It is identical to the FELCO 7, except for the rotating handle. Light alloy handles are shaped to act as an extension of the forearm. The anvil blade handle is designed to prevent the pruner from sliding through the hand. Hollow-ground, this Swiss precision, hardened steel blade features a wire-cutting notch. The blades are set on dowel pins for easy maintenance and replacement.

Bar Code 7 83929 10006 7

**F-9**

Length 8 1/4 in. (21 cm) Weight 8.7 oz. (245 g)

**FELCO 9** - This is a true left-hander's version of the FELCO 8, with all the same features.

LEFT-HANDED

Bar Code 7 83929 10007 4

**F-10**

Length 8 1/4 in. (21 cm) Weight 10.2 oz. (290 g)

**FELCO 10** - This is a true left-hander's version of the FELCO 7, again, with all the same fine features as the FELCO 7.

LEFT-HANDED

Bar Code 7 83929 10008 1

**F-11**

Length 8 1/4 in. (21 cm) Weight 8.5 oz (240 g)

**FELCO 11** - Suitable for every type of pruning. Ergonomic hand-fitting design. Superbly balanced the FELCO 11 offers a large cutting capacity. Narrow pointed anvil blade allows easy access to twiggy branches and assures a close cut to trunk. Precision alignment of cutting and anvil blade due to adjustable locking segment. Easy blade replacement. Shock absorbers reduce fatigue of wrist.

Bar Code 7 83929 10010 4

**F-12**

Length 7 1/4 in. (19.5 cm) Weight 9 oz. (255 g)

**FELCO 12** - Requested by many users of the popular FELCO 6 model this introduction has the added feature of a revolving cutting blade handle which helps prevent or reduce blisters and muscle fatigue that results from prolonged pruning. Smaller cutting head for precision pruning closer to the trunk.

Bar Code 7 83929 10016 6

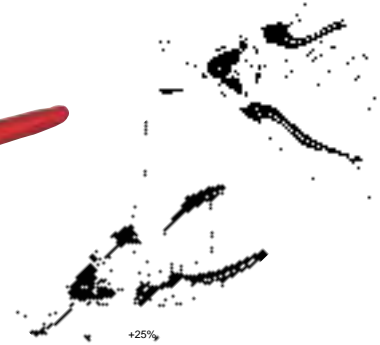

**F-13**

**FELCO 13** - Multi purpose patented pruning shear. Held as single-handed pruning shear but extra long cutting blade handle allows the use of both hands when cutting extra thick branches. The FELCO 13 is a good choice for users wishing to avoid tendinitis from prolonged and heavy pruning.

Length 10 1/2 in. (27 cm) Weight 10.9 oz. (311 g)

Bar Code 7 83929 10017 3

**F-31**

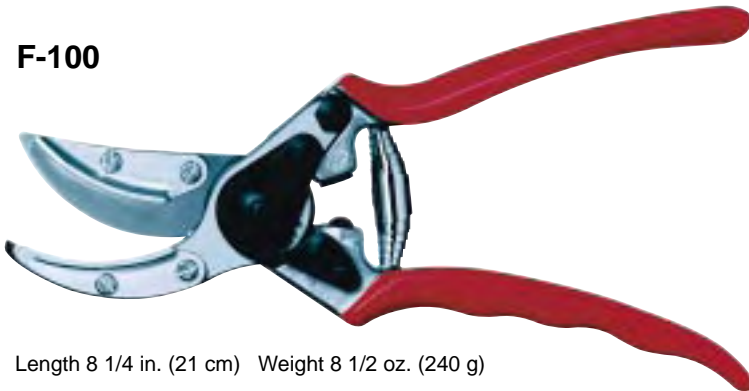

Length 8 1/4 in. (21 cm) Weight 8 oz. (225 g)

**FELCO 31** - An anvil pruning shear like no other. A design which is the result of intensive research and development of anvil technology. An improved version of the FELCO 30 in as the cavity geometry of the adjustable anvil blade has been designed to allow lining up the cutting blade with the anvil blade. After each sharpening, the anvil can be repositioned and correctly adjusted. Cutting blade is beveled on both sides for easy clean-cut pruning.

Bar Code 7 83929 10057 9

**F-100**

Length 8 1/4 in. (21 cm) Weight 8 1/2 oz. (240 g)

**FELCO 100 CUT & HOLD PRUNER**

A high quality cut & hold pruner with a dual blade opening setting feature designed to cut both hardwood as well as delicate branch material. A modified version of the FELCO 11 on which the cut & hold blades have been screw-mounted. The pruner has been tested to accomplish thousands of cuts per day without adjustment of blade alignment. All spare parts available.

## Harvesting Shears for Flowers, Fruits and Herbs

**F-300** - Expanding its range of pruning tools FELCO introduces this lightweight yet strong flower and herb gathering shear.

Designed by FELCO. Made in Italy.

Length 7 1/2 in. (19 cm)

Weight 4.2 oz. (120 g)

**F-310** - Grape and general fruit harvesting shear, lightweight for easier handling and reduction in work input.

Designed by FELCO. Made in Italy.

Length 7 5/16 in. (18.5 cm)

Weight 3.9 oz. (110 g)

**F-300** Bar Code 7 839291 10037 1

**F-310** Bar Code 7 839291 10038 8

## A Gift For Someone Special

### FELCO 6 CC

Limited Edition  
Accompanied  
with a Signed  
Certificate of  
Authenticity  
By FELCO

- Hand-Stitched Leather Grip
- Unique Gold Colored Handles
- Each Pruner Individually Numbered

#### F-903 PROFESSIONAL SHARPENER

Consists of a hardened steel plaque coated with diamonds which shape has been specially designed to be able to reach all nooks when sharpening.

Bar Code: 7 83929 40079 2

#### F-990 PRUNER GREASE

A high quality grease that reduces wear and tear of moving parts. It is hydrophobic (repels water) and is non-toxic.

Bar Code: 7 83929 40072 3

#### F 2-30 Adjustment Key

Screwdrivers should not be used on FELCO tools. At time of purchase, each FELCO Pruner and Lopper is supplied with a special key to be used to take apart and reassemble the tool.
