Extension Tubes Available in Carbon Fiber or Aluminum

# Simply the Best Loppers in the World

FELCO 200 (Straight Cutting Head) and 210 (Curved Cutting Head) series are the latest in unparalleled mastery of cutting edge technology. Completely interchangeable tubes makes these top-class tools unique. Tubes come in three lengths and two choices of material, ultra high carbon fiber tubes (*FELCO patented invention reduces the weight of a 24 inch lopper by an astounding 39%*) or more economical aluminum tubes.

## With interchangeable Carbon Fiber Tubes
